

Creación de repositorio en Github.com:

The screenshot shows the GitHub interface for a newly created repository named "Backend-class-01" by the user "christianrivero". The repository is public. The top navigation bar includes links for Code, Issues, Pull requests, Actions, Projects, Wiki, Security, Insights, and Settings. Below the repository name, there are buttons for Pin, Unwatch (1), Fork (0), and Star (0). The main content area shows the "main" branch with 1 branch and 0 tags. A search bar "Go to file" is present. Below this, a commit by "christianrivero" is shown with the message "Initial commit" and a commit hash "4fce116". A file named "README.md" is listed as part of the initial commit. The README content is displayed below, featuring the repository name "Backend-class-01" in a large font. On the right side, the "About" section states "No description, website, or topics provided." and lists repository statistics: 0 stars, 1 watching, and 0 forks. The "Releases" section indicates "No releases published" with a link to "Create a new release". The "Packages" section indicates "No packages published" with a link to "Publish your first package". The footer shows the GitHub logo, copyright notice "© 2024 GitHub, Inc.", and links for Terms, Privacy, Security, Status, Docs, Contact, Manage cookies, and Do not share my personal information.

Clonación de repositorio remoto en equipo:

```
christian10@corei9:~/Repos/Backend-class-01
christian10@corei9:~/Repos/Backend-class-01 146x35
→ ~ cd Repos
→ Repos ls
→ Repos git clone https://github.com/christianrivero/Backend-class-01.git
Cloning into 'Backend-class-01'...
remote: Enumerating objects: 3, done.
remote: Counting objects: 100% (3/3), done.
remote: Total 3 (delta 0), reused 0 (delta 0), pack-reused 0
Receiving objects: 100% (3/3), done.
→ Repos ls
Backend-class-01
→ Repos cd Backend-class-01
→ Backend-class-01 git:(main) |
```

Se agregan dos archivos: index.html y styles.css:

The screenshot shows the Visual Studio Code interface with a project named 'BACKEND-CLASS-01'. The Explorer sidebar on the left shows the file structure with 'index.html' and 'styles.css' added. The main editor area displays the content of these files. The 'index.html' file contains a basic HTML structure with a head section linking to 'styles.css' and a body section with three heading tags. The 'styles.css' file contains CSS rules for these heading tags, setting color, font style, and background color.

Se agregan cambios, ahora en el repositorio remoto:

The screenshot shows the GitHub web interface for a repository named 'Backend-class-01' by user 'christianrivero'. The 'Code' tab is active, showing the 'README.md' file. A 'Commit changes' dialog is open, with a yellow arrow pointing to the 'Commit message' input field. The message is 'Update README.md'. The 'Extended description' field is empty. The 'Commit directly to the main branch' option is selected. The 'Commit changes' button is highlighted in green. The background shows the file content of 'README.md' with line numbers 1 to 5.
